

MARKETING HOME

The Program

Light City is seeking a select group of 5-10 homeowners in qualified areas to join our exclusive marketing program. Rather than investing in traditional advertising like social media, billboards, and radio, we prioritize direct engagement with our valued clients. This allows us to showcase the transformative power of solar energy in real-world settings, empowering homeowners to make informed decisions about their energy future.

Marketing home Advantages:

 **10% minimum lower than current average Utility bill**

\$200 PAYMENT NOW \$180

 **We cover 1 year of utility bills Paid upfront.**

\$200 PAYMENT X 12 = \$2,400 PAID UPFRONT
